Four reports will be issued at approximately half-termly intervals over the course of the academic year.

Key features of the report:

- Clear identification of progress in all key stages and targets for each subject
- Use of colour coding system to allow at-a-glance evaluation of students' progress towards their targets
- Inclusion of 'working-at' grades or Levels at two points in the year to identify current attainment
- Use of Attitude to Learning score to monitor students' overall approach to their studies
- Written comments from Form Tutor and Head of Year to provide personal insight into each student's learning
- Yearly comment from a member of the School Leadership Team

(Parents who require duplicate information regarding their son/daughter's progress to be sent to a second address should notify the school in writing)

In the event that you are unable to see one of your son/daughter's teachers by the end of either of the sessions (5.30pm or 8.00pm) and, as a way to avoid sitting in a long queue, we would ask that you write your son/daughter's name and the teacher you wish to see on the sheet on the table at the front entrance and they will contact you.

A bell will ring at 5.15pm and 7.45pm to make both parents and staff aware that only 15 minutes remain of the respective sessions.
