NOTE TO CLERGY

When the number of applications for admission to Waddesdon Church of England School exceeds the number of places available, Governors award places in accordance with the published admission criteria. You will probably be aware that two of these criteria relate to church commitment measured by attendance at church twice a month for the last three years. In order to ensure that the published criteria are applied fairly, Governors are required to have evidence signed by appropriate clergy to confirm church commitment. You are therefore being asked to complete this form because the above applicant is claiming they fulfil one of the following criteria:

Criterion 3 - A parent's strong Church commitment within the Church of England.

Criterion 5 – A parent's strong Church commitment within any other Christian church which is affiliated to, or represented at, Churches Together in Britain and Ireland or a member of the Evangelical Alliance.

It is the commitment to the Church of a parent that counts and not that of the child. Further advice about completing this form can be provided by contacting the school. Your co-operation in completing this form is greatly valued by Governors. It would be helpful if you could discuss your response with the parent so they are aware whether you are able to verify if they have met the required attendance level.

Please note: If the parent has not attended your Church for the requisite period of time but has attended another church immediately prior, the parent can submit form from each church attended in order to show the required level of commitment. In this instance you will need to set down clearly the dates between which they have attended **your** church.
