### **NOTE TO CLERGY**

When the number of applications for admission to Waddesdon Church of England School exceeds the number of places available, Governors award places in accordance with the published admission criteria. Two of these criteria are a parent's strong church commitment within the Church of England or any other Christian church which is affiliated to, or represented at, Churches Together in Britain and Ireland or a member of the Evangelical Alliance.

For this purpose, a parent's strong Church commitment is demonstrated by **attendance at church services twice a month for the three years preceding the application for a school place**. In order to confirm this, applicants are required to have this form signed by appropriate clergy at their church to confirm they have attended church services twice a month for the required three-year period.

**It is the commitment to the Church of a parent that counts** and not that of the child. Further advice about completing this form can be provided by contacting the school. Your support in completing this form is greatly valued by Governors. It would be helpful if you could discuss your response with the parent so they are aware whether you are able to verify if they have met the required attendance level.
