Headteacher: **Matthew Abbott**

October 2020

Dear Parents

YEAR 13 FINANCIAL STUDIES BOOKS

As you know, your son/daughter has had a successful year studying Finance at Waddesdon and has chosen to continue the course towards the Diploma in Financial Studies.

As in Year 12, all students on the course will receive access to learning materials via the London Institute of Banking and Finance website as well as exam entry (including resits) and copies of the Unit 3 and Unit 4 textbooks. Consequently, this course comes at a substantially greater financial cost to the school than A Level qualifications and in order for the course to be viable we are requesting a contribution of **£15.00** towards the cost of the course textbooks. This is significantly less than the course books for many A Level subjects and the books will be a helpful source of reference for students beyond their studies at Waddesdon,

To reserve the course textbooks, please make payment through your ParentPay account **by Wednesday 14 October**. If you have any queries about ParentPay, please contact Mrs Cooper in the finance office at lcooper1@waddesdonschool.com

For further information regarding the course or textbooks, please do not hesitate to contact me at the school.

Yours faithfully

Paul Tilley
Subject Leader
Business, Economics and Finance
