

27 June 2023

Dear Parent/Carer

## YEAR 10: GCSE SCIENCE REVISION GUIDES

In order to support your child's learning and progress as they continue in their Key Stage 4 Science journey into Year 11, we recommend purchasing the Oxford Revise series of AQA GCSE Science Complete Revision and Practice books published by Oxford University Press. The guides are available for Combined Science (the majority of students), or Separate Sciences, and are extremely useful in helping students with their homework, remote learning, preparing for mocks and end-of-topic tests.

Last June we contacted you to invite you to purchase these Revision Guides through the school so that we could pass on our educational discount. **If you weren't able to take up this opportunity last year**, we would like to give you a further opportunity to do so now; these revision guides will prove invaluable for the Year 11 December and March Science mock exams and the summer Science GCSE exam series in 2025. We recommend that all students currently in Year 10 have their own copy of these revision guides.

Students take different pathways through their Science GCSE, so please ensure the appropriate pack is selected. **If in doubt, students should speak to one of their Science teachers.\*\***

Students taking COMBINED** Science who don't already have a revision guide will need to purchase:		
EITHER**	<b>Pack A Combined Science Higher Tier**</b> (aiming above a grade 5) - ISBN 9781382004879	<b>£12.00</b>
OR**	<b>Pack B Combined Science Foundation Tier**</b> ISBN 9781382004862	<b>£12.00</b>

Students taking SEPARATE** Sciences who don't already have a set of revision guides will need to purchase:	
<b>Pack C Separate Sciences**</b> Set of 3 books: ISBN 9781382004848 (Biology) ISBN 9781382004855 (Chemistry) ISBN 9781382004886 (Physics)	<b>£16.00</b>

\*\* Please note that books are non-refundable if the incorrect ones are ordered

To order these resources through school, please pay for the appropriate pack on **ParentPay by Friday 19 July at the latest**. The books will be distributed to students at the start of the new school year.

If you have any queries or concerns about ordering, please contact Mrs Cooper in the finance office at [lcooper1@waddesdonschool.com](mailto:lcooper1@waddesdonschool.com). **For advice about which pack to order, your son/daughter should speak to one of their Science teachers.\*\***

Yours sincerely

**Dr West**

Subject Leader for Science
