

9th September 2024

Dear Parent/Carer,

After School Year 13: NEA Catch up

As your son/ daughter has just begun their NEA (Non-Examined Assessment), it is vitally important that they remain on top of their ongoing project this year. To assist with this, I will be providing after school sessions beginning on Tuesday 10th September which will be offered until the start of the Easter holidays.

The after-school sessions are primarily for pupils who fall behind with their NEA, although it is open to any year 13 Product Design student. Please note if your son/daughter does fall behind with their NEA then they will be expected to attend after school sessions until they have caught up. The NEA is 50% of the overall A-Level grade.

I will be running these sessions from 3.20pm until 4.30pm each week.

Pupils will need to make their own arrangements for transport home at the end of the school day.

Please reply to either piveson@waddesdonschool.com or use the form below to confirm that you are happy for your son/daughter to attend the after school NEA catch up sessions.
